Minister Cranford's Corner...

This has been a fabulous year for Women After God's Own Heart Ministry (WAGOH) as we have moved from glory to glory. As women of wisdom on a glory move, we now better understand what kind of friend we should be to others and we know how to hang tough when things get rough as we examine giants, grasshoppers and grapes.

God has blessed us tremendously in 2007 and as we enter 2008 the glory move continues. We will be entering ten (10) years of ministry and look forward to a year of celebration in giving to God praise, adoration and thanksgiving in our worship, fellowship, and offerings. Let us remain on one accord in praying for God's perfect will and time in moving WAGOH from glory to glory to glory.

Thank you for your continued prayers and support of WAGOH. I look forward to reaching, teaching and beseeching the masses as God bores us on eagles' winds and bring us to Himself and we bring others to Him.

*Always in His Love,
Donnella*

Debutantes 4 Christ

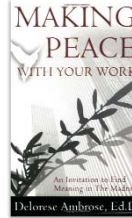

Patterning themselves to be Women After God's Own Heart, the 2008 Debutantes 4 Christ are participating in many events throughout the year, ending with the 'Celebration of Love' ceremony on March 29th, 2008. This is the 4th group of young ladies to embark upon the journey of mirroring the character of Christ. Please get involved by purchasing tickets, ads, and patrons in support of this extraordinary outreach ministry. Continue to pray for the Debutantes as they aspire to live a Christ centered life.

Do not be conformed any longer to the patterns of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is – His good, pleasing and perfect will.
